The finalists for the Class of 2022 will be announced during All-Star weekend in February.

Tom Konchalski has been nominated for the second year as a contributor. Last year, his mentor, Howard Garfinkle was inducted. One of Tom's last efforts was to support Garf's nomination.

Let's all get behind Tom's nomination for 2022!

Tom Konchalski Classic

Was held at Archbishop Molloy High School on December 5. Eight teams from the NYC Catholic league vied for bragging rights.

Awards were given to the MVP on each winning team and a sportsmanship trophy to the most deserving player on each losing team.

A permanent plaque honoring Tom has been placed by Molloy at his iconic scouting position at the top center of the stands.

Many thanks to Molloy AD Mike McCleary for hosting this great event and honoring Tom in this way.
