TK Playmaker board to be used in Duke - Notre Dame game

Monday, January 31 at 7pm

Duke and Notre Dame will clash on the hardwood at Purcell Pavilion in a nationally televised game. Coach K and Coach Brey have agreed to use this Playmaker board to elevate awareness of the Foundation and support Tom's nomination to the Hall of Fame.

Scholarship Team Update

The scholarship team has been meeting to determine the criteria and details for awards for the upcoming 2022 - 2023 school year.

Tom would always exhort high schoolers to use athletic skills to further their education.

We are working with ESPN to get the most favorable coverage.

Please join us for a Zoom call to pray the rosary for and remember Tom on the 1st anniversary of his passing. The Zoom link is below.

We have asked for volunteers to say a decade of the rosary. We have two opportunities remaining. So we encourage you to reach out and let us know if you would like to participate in this way.

In advocating for the life-long benefits of advanced learning, he had a prepared speech which he often used. In it he mathematically "proved" that any hs player had one in a million chance of reaching the NBA. Our mission is to continue Tom's good works through providing need-based scholarships for deserving students.

The initial plan is to use part of the Foundation resources for annual scholarships. The remaining portion will fund the long-term goal of a perpetual scholarship in Tom's name at his beloved Archbishop Molloy High School.

With gratitude to donors, the Foundation is closing in on the first-year goal of \$100,000.
