Kicking Off Our Fifth Season: A Year of Growth, Community, and Basketball

Dear Friend of the Tom Konchalski Foundation,

I hope this message finds you and your family happy, well, and ready to enjoy the upcoming basketball season.

It's hard to believe, but we are entering the **fifth season** of the Tom Konchalski Foundation. We're proud to report that this past year including spring and summer 2025 were among our most **active and impactful** yet—filled with programs and events centered around basketball and the enduring values of our game.

None of this would have been possible without your friendship, generosity, and support.

Following our successful **Midtown Madness** event at the Bryant Park Grill, our coaches, volunteers, and partners helped mentor **hundreds of kids** across New York City and the greater metropolitan area through a variety of events, including:

TK Foundation / Big Apple Basketball Clinics

Held in four boroughs, reaching more than 120 young people not only teaching basketball fundamentals, but sharing life lessons and the kindness Tom brought to everyone he met.

Tom Konchalski / Riverdale Summer League

High School summer basketball league in the Bronx free of charge platform featuring 16 teams collectively from the CHSAA and PSA and nearly 200 participants.

Tom Konchalski AAU Classic: A Legacy of Competition, Character, and Community Thank you, Coach Robert Holford,

This grassroots event was founded and directed over the past four years by Coach Robert Holford in honor of his dear friend, Tom.

Since its inception, the TK Classic has served nearly 1,100 young student-athletes from across New York City and Long Island. More than just games, the event incorporated life-skill mentoring, essay writing, and meaningful reminders

of who Tom was, the values he lived by, and the standards of integrity, humility, and discipline he

Best of luck to all the teams you follow this season and thank you for being on **Tom's Team** here at the Tom Konchalski Foundation.

With gratitude,
